Announcements from the Leadership Team

(Margie, Susan, Shirley, Mary)

CCA's 30th NATIONAL MEETING IS SWIFTLY APPROACHING!

PRE-MEETING PREPARATION

The first of two Zooms to help us all prepare for the April Assembly is on **February 7 at 1:30 ET**. We are asking you to watch a video and engage in a community discussion about it.

The video, a presentation given by Janice Bader, CPPS to RCRI, can be found at this link.

After watching the video, please use these questions to guide your community discussion (these will also guide our discussion at the February 7 Zoom):

1. Has your community made a decision about accepting new membership? What is guiding you in making this decision, or if you have not made it, when will you do so?
2. Where do you see your community in 5-10 years?
3. What are ways in which your community remains vibrant and life-giving?
4. How can CCA help you at this time? What more can we do for each other in order to truly be a Community of Communities?
