

Sisterly Visits – 1-page summary of feedback

Relationship among Carmels

- With some sisters unable to travel, written communication is more important than ever as a means of staying connected

Formation / New Membership

- Explore collaboration in the areas of facilitation, formation and finance
- Explore geographical groupings of Carmels for the same reasons as above (as with the New England Carmels) including the use of ZOOM
- Formation resources needed in every area: initial, on-going, leadership
- Carmelite Forum arose from a dream. Need sisters now to pick up and apply themselves to continue that dream
- Common house of formation
- Consider CCA partnering in vocation recruitment. Collaborate in on-line presence.

Leadership

- Consider further delegating responsibilities of the LT among membership to make it more possible for sisters to serve on the LT.

International Outreach/Collaboration

- Strengthen communication / remember the website Sr. Jennifer (Australia) set up: CAW (Carmelite Across the World)
- Possible exchange of sisters / perhaps experiencing Carmel in another country sometime after solemn profession
- Connect the next generation internationally
- Have international age groups work together
- Open formation initiatives (*Women at the Well* was mentioned) to other Associations internationally
